

THIRD ANNUAL GOLF TOURNAMENT | May 9, 2023

Dear Friend and Supporter,

Spring is here! And, it's time to get outside, enjoy the sun and make plans to play some incredible golf.

The National Medal of Honor Heritage Center is thrilled to announce its Third Annual Golf Tournament will be held on Tuesday, May 9, 2023. What is even more exciting is the location. This year, we will be holding our annual tournament at a golf course that has one of the most sought after tee times for all golf enthusiasts in Tennessee and across the country – Sweetens Cove Golf Club.

Consistently ranked as one of the top golf courses in Tennessee, Sweetens Cove Golf Club is a hand-crafted masterpiece where big greens and bold slopes deliver an entirely unique golfing experience unlike any other course you have played. This course is a hand-crafted masterpiece that has drawn a loyal following of golfers who will drive to the middle of nowhere to experience something different and entirely interesting. In fact, GolfWeek recently named Sweetens Cove Golf Club the 49th-ranked modern course and the 21st-ranked best course you can play in the USA.

The Medal of Honor is our country's highest military award given to a soldier who distinguished themselves by an act of valor at the risk of their own life above and beyond the call of duty. Each recipient has a real-life story that serves as a powerful testament to how ordinary people can rise up and meet the most daunting challenges. Every day, the Heritage Center strives to educate people on the Medal of Honor and the six character traits that embody its recipients: Patriotism, Citizenship, Courage, Integrity, Sacrifice and Commitment. All proceeds raised from the Golf Tournament will help support the mission of the Heritage Center and its educational programming, which uses the immersive, engaging and honest stories of our nation's Medal of Honor recipients to inspire current and future generations, so they are empowered to make an extraordinary impact in their community.
